Parente Homes.

Who should not a farmer's home Always meet your appointments be a vertable little paralise! Who on time. Never late. If possible, else has so good an opportunity for Don't talk too much. Let your shall the exceed a beauty and ele-etions speak for yourself.

Be honest, even if you lose money any cromps I and reat agonty lawn! We neglect this altogether too Never let business interfere with made, we have so much to do, we say, in bolding after our crops that Remember that money alone can bring as money, that we have no whas solid mit der coming adminis not buy peace, nor true friends, nor time to spend with flowers, shade trees, etc., which simply ornament It is refreshing, in these days of the place and bring no money. As speculation and dishonest dealing, an investment even, we believe to know that a man can live accord this to be a mistake; but aside to improve the external appearance of our homes.

scribers must be made to pay up not expect to come this way again, can as we go along.

A Cent Worth \$200.

"Well," said the editor with a on earth, as it is to pile up a large

sign, as he arose and began to roll fortune for the benefit of future

up his sleeves, "delinquent sub-generations and lawyers. We do

Shade trees are at the disposal

Warren Gee, of Spring Lake, money in the country. The collection of cents embraces specimens of every coinage from the first to the last, all in fine condition. The "I wonder the English allow first United States cent bears the themselves to be governed by a date of 1793, and cents have been with the sole exception of the year ica is governed by women? How those of 1799 and 1804. The fermer is valued at \$5 to \$25, according "Why, don't you see, this is a to condition, and the latter at 83 to \$15. Mr. Gee remarked: "I saw an "Yes; but the women have no unusually fine 1804 cent sold in "Certainly; and the men are gov- had been kept in a box of cotton, erned by the women."-Boston and was perfectly bright. There was competition at the sale,"
